SALE OF THE GUTHMANN AND OTHER COLLECTIONS.

Mr. Sam. Guthmann, Sr., came many years ago from Germany to America to make his way in the world, and died a successful business man and respected citizen of Macon, Georgia. He presents a good example of what may be accomplished by honest effort and industry in the United States, even though a man commences in a humble way. He first engaged in the fruit business in Florida, and made his way to Atlanta and Macon, where he established large laundries. His interest in coins dates from an early period and his specialty was American coins. To these he added a few choice foreign gold coins. His American gold collection includes fine and choice coins of the regular series from \$10 down to the dollar size, and his set of dollars is about complete. The collection of Eagles, Half and Quarter Eagles also includes many scarce and choice pieces, with a good many of the scarcer type of mint-marks.

The private gold collection has in it some choice examples of the early Mormon, Moffat, U. S. Assay, Augustus Humbert, Clark, Gruber & Co., Clark & Company, Bechtler and other issues, together with a beautiful set of the special issues of the Pan Pacific Exposition. There are some choice California Gold Dollar coins. The Clark, Gruber & Co. \$20 in gold and the Moffat & Co. Ingot for \$16 may be cited as notable examples of the private issues. Mr. Guthmann's collection of gold runs for several hundred lots and must be regarded as the special feature of the sale.

Added to the Guthmann offerings are many others of importance. First of which we must enumerate a large collection of American Gold and Mint Marked Gold, which are not duplicates of those in Mr. Guthmann's Collection. Other features include a Wass Mollter Round Slug, a Wass Moliter & Co. \$5.00 gold, several very rare Chinese Gold coins, a Miners Bank \$10 gold and some rare early U. S. Gold Coins not in Mr. Guthmann's Collection. Quarter Eagles of 1796, 1825, 1831, etc. A few lots of choice ancient coins in gold, silver and bronze are added.

There is a Byzantine Collection of gold embracing some twenty five different types and rulers. Many fine and choice Modern gold coins are listed some of them of highest rarity, including two brilliant proof platinum coins of Russia. In cents we note about eight 1799s and four or five of 1804 and about all other dates. There is an elegant line of the old U. S. Silver dollar coins, and some of smaller denomination. The offerings in U. S. Gold Coins are truly remarkable.

All these are offered without reserve to the highest bidder and we trust a generous response in bids may be had.

We list below a general summary of the features of the sale.

THE ELDER COIN & CURIO CORPORATION.

N. Y., April 24, 1930.

SPECIAL NOTICE TO NEW BIDDERS.

These sales are auction sales and not sales on approval. Goods bid in must be taken and paid for promptly. Be careful to bid on the lots you intend to bid on. Collectors make errors at every sale and declare we are wrong until we submit their bid sheets. All bidders must abide by their bids.

Kindly read the sale terms. Bid by the piece. If a lot has five pieces and you wish to pay \$5 for it, bid \$1. No lot will be separated.

New bidders must send either a cash deposit or a gilt edge reference. A small bank account does not justify a good reference. Those bidding for the first time must send us a remittance on receipt of a bill from us for lots secured. You don't pay any commission unless you secure a lot, then 5%. Lots from the sale are not returnable, but we will consider claims for errors, but lots must not be returned without first writing us setting forth the complaint. Send us a generous number of bids please. Attend the sale in person if possible to do so.

Yours truly,

THE ELDER COIN & CURIO CORPN.,
THOMAS L. ELDER, Prest.

CONDITIONS OF SALE.

Please read Sale Terms Before Bidding.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing **within 30 days of the date of the sale.**

Coins and medals are sold at so much per **PIECE**, and no lot will be separated. You cannot buy a few pieces out of a lot but must buy all of it. The auctioneer will accept no bid under 10 cents to start a lot where that lot contains only one piece; nor will he accept any advance under 5c on any lot containing but one piece; after the price has reached \$2. no advance under 10c will be accepted on any lot containing one piece; after \$5.00 the bid must advance 25c each time; after \$10 no bid under 50c.

Our rules regarding lots containing more than one piece will remain unchanged and the same as before.

Auction sales are **strictly for cash**. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description there is but one piece in the lot.

Be sure you bid on the lot you wish to buy. We cannot correct such errors.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

Important Notice. We keep two books of the sale recording each lot as sold, and we will not accept any sale records from outsiders. **Our records are final.**

ORDER OF SALE.

On Friday: Lots Nos. 1 to 707 inclusive will be sold.

On Saturday: Lots Nos. 708 to end of catalogue.
